Course curriculum

❑ Lectures & Labs

   ❑ Weeks 1 – 4 : lectures & labs

   ❑ Weeks 5 – 7: Project 1

   ❑ Weeks 8 – 10: more lectures & labs

   ❑ Weeks: 10 – 13: Project 2

❑ Two projects – two reports

❑ Group work: 2-3 students/group

❑ Presentation of the work (oral exam), Dec 12

Practicalities – I

❑Lectures, exercises, project work, etc:

  ❑ Tuesday, 8:30 – 12:00,

  ❑ Room H97/B306

❑Exam:

  ❑ Friday, Dec 12, 8:30 – 12:00 (r. 170 / b. 324)

  ❑ Students presentations + questions

❑Teachers

  ❑ Bernd Dammann   <beda@dtu.dk>

  ❑ Nick Papior   <nicpa@dtu.dk>

Practicalities – II

❑ Student involvement

    ❑ before we start the lecture

    ❑ summary & discussion of last week's topics

    ❑ presented by one group (voluntarily)

    ❑ approx. 15 minutes, no preparation of slides

❑ each group should present once

❑ helps you to reflect over, what you have done

❑ we will act as moderators/coaches

❑ this has no influence on your assessment

❑ it's an offer, and it is okay to say no
